PHYSICAL DEMANDS ON THE BODY

You may work long hours, especially for those who own salons. Work schedules may include nights and weekends and may not have breaks or lunches. Therefore, good health and stamina are a must. Most salon industry professionals may be on their feet for long periods. There are physical demands placed upon the body during both classes and as an employee in the industry, including but not limited to standing for long periods, bending over, lengthy-time allowances for services, lifting heavy objects, dexterity, exposure to heat and chemicals, possible cuts resulting from a haircutting service, and prolonged exposure to some chemicals may cause irritation so protective clothing, facemasks, and gloves should be worn.

SAFETY PROCEDURES/FIRST AID/BLOOD SPILL

First aid kits are conveniently located in the facilitators' office. For an emergency not requiring 911, if possible, a staff member may take you to the doctor. If a staff member is not available, your emergency contact will be asked to escort you to a doctor. In an emergency, a staff member will call 911.

Additional education is also provided for facilitators to ensure they stay current with trends, products, and instructing techniques.

The student understands that as part of their training, among other things, they will be required to perform clinic services on a member of the public who will pay Montana Academy a fee for that service. The student understands that these services, and other tasks that may be assigned to perform, are designed to allow the student to learn the trade by practicing skills on paying customers and learning in a simulated salon environment. The student will not be paid a wage for any time enrolled at Montana Academy.

MAXIMUMS

FEDERAL PELL GRANT	\$6,895.00
DIRECT SUBSIDIZED LOAN	\$3,500.00
DIRECT UNSUBSIDIZED LOAN	\$6,000.00 (For an Independent Student)
	\$2,000.00 (For a Dependent Student) *

Please note that in the instance that a dependent student's parent(s) be denied a Parent Plus Loan, the student may be eligible for the additional \$4,000

Direct Loans are subject to an Origination Fee as per the U.S. Dept. of Education.

The programs listed above are based on the students' need for financial assistance, and the forms for applying for such aid are available at Montana Academy. The Financial Aid Advisor will explain the procedures and preparations of these forms.

Students receiving Financial Aid incur the following responsibilities:

- + Students must maintain satisfactory academic and attendance progress in their course of study.
- + Students enter into their repayment period for Direct Loans six months after completing the program or six months after they are terminated/withdrawn.
- + Direct Unsubsidized Loans and Direct Subsidized Stafford loans have the same repayment terms; however, interest on the unsubsidized loans is the students' responsibility from the date of disbursement.
- + ***The interest can be paid while you are in Montana Academy or may be added to the principal by your lender at the students' request.
- + A parent of a dependent student may borrow up to the cost of education, less other expected financial aid, on the PLUS loan.

DETERMINING NEED

The Congressional Methodology (CM) Formula is approved by the U.S. Department of Education. This academy uses it to compute the ability of the family to contribute to the cost of the student's training. The expected family contribution (EFC) is subtracted from the cost of education to establish the student's need. Montana Academy awards Financial Aid to cover as much of the student need as possible.

Formula: Cost of Attendance – (minus) Expected Family Contribution (EFC) = Financial Need

Procedures, Forms, and Disbursements

During a Financial Aid Interview, prospective students will complete a Free Application for Federal Student Aid (FAFSA) on the web and provide the necessary documentation. Based on the information provided on the application, the Financial Aid officer will determine the student's need for Title IV Financial Aid assistance. The applicant will then complete the applications, which apply according to the individual's preference and eligibility.

TITLE IV APPLICATIONS USED BY THIS INSTITUTION ARE AS FOLLOWS:

Free Application for Federal Student Aid (FAFSA)

COST OF ATTENDANCE

Elements included in the budget are the actual cost of tuition, registration fee, books, and supplies. Additionally, an allowance for the monthly cost of living is considered based upon the students' specific circumstances, and the following costs are considered: food and housing, transportation, and personal/miscellaneous.

REFUNDS

If you discontinue your training and an overpayment exists, the application of the refund will be made as follows: 1st to Student Loans, 2nd to Pell, 3rd to the student. This order will be applied, providing the student received funds from that program in amounts not to exceed the amounts originally paid from each program.

Prior to calculating a refund, Title IV recipients who have not completed more than 60% of the payment period or period of enrollment, as per Federal regulations, will be subject to the provisions of the "Return of Title IV Funds." For specific information, contact the campus Financial Aid Administrator.

VERIFICATION PROCESS

Federal regulations require institutions to develop written policies and procedures for verification. Montana Academy of Salons is required to make these policies available to all applicants for financial aid, as well as prospective students, upon request. To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV Financial Aid Programs. Under regulations, this campus will not disburse PELL to any student selected for verification until completion of verification.

WHO MUST BE VERIFIED?

The policy of the Montana Academy of Salons shall be to verify those students "selected for verification." Applicants are "selected for verification" either by the Central Processing System (as evidenced by an asterisk (*) on the output document) or by the campus. If an application has been selected for verification, the Financial Aid Officer will request documentation of pertinent information as appropriate.

- + Graduation Rate: based on all students scheduled to graduate from their program. Of those students scheduled to graduate, the percentage that actually graduated before November 30.
- + Note: The scheduled graduation date is a student's most recent contract end date (i.e., the contract end date after all leaves of absence, schedule changes, re-enrollments, and other contract changes have been accounted for).
- + Graduate: A student who has completed all applicable academic and non-academic requirements, as defined by the institution's graduation policy.
- + Placement rate: Of those graduates from the graduation cohort who are eligible for placement, the percentage who were placed prior to November 30.

 - c. The graduate was deployed for military service/duty.
 - d. The graduate studied under a student visa and is ineligible for employment in the U.S.

- e. The graduates continued their education at an institution under the same ownership.
- + Placement: A graduate who is or has been employed in a field for which their training prepared them (i.e., in a position within the beauty and wellness industry that directly relates to their field of training) after graduation and prior to November 30. Graduates who obtain temporary positions (i.e., positions where there is an expectation prior to the graduate's hire that the employment relationship between the employer and graduate will not last more than one month) are not considered placed.
- + Licensure Rate: Of the graduates from the graduation cohort who sat for all parts of their required state/national licensure exam before November 30, the percentage that passed all required parts of the state/national exam before November 30.

2nd Evaluation Period Ends:	650 Clock Hours and 22 Weeks

Transfer Students- Midpoint of the contracted hours or the established evaluation periods, whichever comes first. Evaluations will determine if the student has met the minimum requirements for satisfactory academic progress.

The frequency of evaluations ensures that students have ample opportunity to meet both the attendance and academic progress requirements of at least one evaluation by the midpoint in the course or academic year, whichever occurs sooner. All periods of enrollment are included in the SAP calculation for Title IV eligibility and otherwise.

ATTENDANCE PROGRESS EVALUATIONS

The quantitative element used to evaluate the student's attendance requires the student to attend a minimum of 85% of the hours possible based on the applicable attendance schedule to be considered to maintain satisfactory attendance progress. Evaluations are conducted at the end of each evaluation period to determine if the student has met the minimum requirements. Evaluations are reviewed with the student. The student can request hard copies of the documents. Student schedules are built into the system when the student is enrolled. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. At the end of each evaluation period, Montana Academy will determine if the student has maintained at least 85% cumulative attendance since the beginning of the course, which indicates that, given the same attendance rate, the student will graduate within the maximum time frame allowed.

MAXIMUM TIME FRAME

The maximum time (which does not exceed 118% of the course length) allowed for students to complete each course at satisfactory academic progress is stated below:

MAXIMUM TIME FRAME ALLOWED WEEKS AND HOURS						
COURSE	FT/PT	HRS./WK.	COURSE HRS. /WKS.	WEEKS	HOURS	WEEKS BEYOND CONTRACT
Barbering	FT	34.5	1100/32	38	1294	6
Supplemental Barbering	FT	34.5	150/5	5.5	177	1
Cosmetology	FT	34.5	1500/44	52	1765	8
Esthetics	FT	34.5	650/19	22.5	765	3.5
Manicuring	FT	34.5	400/12	14	471	2
Massage Therapy	FT	34.5	700/21	25	824	4
Microdermabrasion	FT	34.5	50/1.5	2	59	1.5
Teacher Training	FT	39.5	650/17	20	765	3

The maximum time allowed for transfer students who need less than the full course requirements or part-time students will be determined based on 85% of the scheduled contracted hours. Students who have not completed the course within the maximum timeframe will be terminated. After termination, students may pursue re-entry in the institution as a cash pay student by following and fulfilling the requirements of the re-entry policy. Re-entry is not guaranteed.

All courses offered by the institution are clock-hour programs, and all students attend on a continuous basis. Therefore, we do not offer term or credit hour-based programs. Enrollment is based on one period of continuous enrollment, which counts towards satisfactory academic progress and maximum timeframe, including any time in that period when a student would not receive Title IV HEA program funds. The period of enrollment includes fall, winter, spring, and summer, as applicable to the student's enrollment agreement.

ACADEMIC PROGRESS EVALUATIONS

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical assignments are evaluated as completed and counted toward course completion only when rated as satisfactory or better (the computer system will reflect completion of the practical assignment as a 100% rating). If the performance does not meet satisfactory requirements, it is not counted, and the performance must be repeated. At least two comprehensive practical skills evaluations will be conducted during the course of the study. Practical skills are

evaluated according to text procedures and set forth in practical skills evaluation criteria adopted by Montana Academy.

Students must maintain a written grade average of 85% on a cumulative basis and take a final written and practical exam prior to graduation. Students must make up missed tests and incomplete assignments. The following grade scale is utilized for theory and practical skill evaluation which utilizes a 100-point grading scale:

A	95 – 100%	Excellent
B	90 – 94.9%	Very Good
C	85 – 89.9%	Satisfactory
F	84.9% and Below	Unsatisfactory

DETERMINATION OF PROGRESS STATUS

Students meeting the minimum requirements for academics and attendance at the evaluation point are considered to be making SAP until the next scheduled evaluation. Students will review their SAP determination at the time of each of the evaluations with a support staff member. Both will sign to verify the student's SAP status. Students may request a hard copy. Students deemed not maintaining SAP may have their Title IV Funding interrupted unless the student is on financial aid warning or has prevailed upon appeal resulting in a status of financial aid probation.

FINANCIAL AID WARNING

Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making SAP during the warning period. The student will be advised in writing on the actions required to attain SAP by the next evaluation. If, at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation, and, if applicable, students may be deemed ineligible to receive Title IV funds.

FINANCIAL AID PROBATION

Students who fail to meet minimum requirements for attendance or academic progress at the next checkpoint after the warning period will be placed on financial aid probation and considered to be making SAP during the probationary period if the student appeals to the decision and prevails upon appeal. Additionally, only students who have the ability to meet the SAP Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet the requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered for making SAP. The student will be advised in writing of the actions required to attain SAP by the next evaluation. If, at the end of the probationary period, the student has still not met both the attendance and academic requirements required for SAP or by the academic plan, he/she will be determined as NOT making SAP and, if applicable, students will not be deemed eligible to receive Title IV funds. Students who are not eligible to receive Title IV funds can remain enrolled only by cash paying.

RE-ESTABLISHMENT OF SATISFACTORY ACADEMIC PROGRESS OF FINANCIAL AID

Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the financial aid warning or probationary period at the next scheduled evaluation. Students can make up hours during course times the student is not normally scheduled for attendance on Friday or Saturday, as applicable to their schedule. Courses with limited facilitators may be restricted to certain scheduled makeup days when a substitute facilitator is available.

INTERRUPTIONS, COURSE INCOMPLETES, WITHDRAWALS

If enrollment is temporarily interrupted for a Leave of Absence, the student will return to Montana Academy in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the

student's contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student's cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal. If a student is considering the pursuit of a second program, they must graduate or withdraw from the current program. If a student decides to switch a program, the current SAP will start over with the new program. The old program, SAP, will no longer apply.

APPEAL PROCEDURE

If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within five (5) calendar days. Reasons for which students may appeal a negative progress determination include the death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to Montana Academy on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student's situation that will allow them to achieve Satisfactory Academic Progress by the next evaluation point. Appeal documents will be reviewed, and a decision will be made and reported to the student within five (5) business days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed, and federal financial aid will be reinstated, if applicable.

NONCREDIT, REMEDIAL COURSES, REPETITIONS

Noncredit, remedial courses, and repetitions do not apply to this institution. Therefore, these items have no effect on Montana Academy's satisfactory academic progress standards.

TRANSFER HOURS

With regard to Satisfactory Academic Progress, a student's transfer hours will be counted as both attempted and earned hours for the purpose of determining when the allowable maximum time frame has been exhausted. SAP evaluation periods are based on actual contracted hours at the institution.

--END OF SAP POLICY--

ACADEMY POLICIES & PROCEDURES

POLICIES & PROCEDURES

To succeed at Montana Academy, it is important to follow and adhere to Montana Academy's policies and procedures. Policies serve as a guideline to provide structure and enhance Montana Academy training courses. Academy policies and procedures are subject to change.

A copy of the Student Policies and Procedures is given to each student prior to signing the enrollment agreement.

The student will adhere to Montana Academy's standards of conduct, attendance, dress code, and courtesy to all. All students must maintain Satisfactory Academic Progress (SAP). SAP is defined as an 85% average in both theory and practical grades and attendance. Students may track SAP electronically on their personal smartphones, tablets, or home computers through an online portal. This technology is to encourage students to be aware of their daily SAP attendance and grades.

OVER-CONTRACT FEES AND EXTRA CHARGES

Each course has been scheduled for completion within an allotted time frame. Montana Academy allots a certain number of approved absences as part of the student's contracted end date. The academy will charge additional tuition for hours remaining after the calculated completion date, as stated on the enrollment contract, at the below rates per hour, or any part thereof, payable in advance until graduation. It is not realistic to expect to receive an education for free. The academy has reserved space, equipment, and licensed facilitators for each student and course. If a student does not graduate within the contract period, additional training will be billed. If over-contract fees are not paid within six months of the student's last day of attendance, the student will be terminated.

Course Rate Per Hour	
Barbering	\$15.00
Supplemental Barbering	\$15.00
Cosmetology	\$15.00
Esthetics	\$15.00
Manicuring	\$15.00
Massage Therapy	\$15.00
Microdermabrasion	\$15.00
Teacher Training	\$15.00

TRANSCRIPTS AFTER GRADUATION

Students who request transcripts and/or records after graduation or dropping out of a course will be charged a fee of \$10 per transcript and/or records.

LEAVE OF ABSENCE (LOA) POLICY

An authorized Leave of Absence (LOA) is a temporary interruption in the student's course of study. The LOA refers to a specific period in which a student is not in attendance. An LOA is not required if a student is not in attendance for an institutionally scheduled break. However, a scheduled break may occur during an LOA. A student must follow the Academy's policy requesting an LOA. A student who must take an approved Leave of Absence (LOA) will return with the same satisfactory academic progress status as at the time of taking the LOA.

Any course under 900 hours can take a Leave of Absence, counting fourteen calendar days. Courses over 901 hours can take a Leave of Absence, counting thirty calendar days. Montana Academy of Salons permits a total of two Leave of Absence.

A student may be granted a LOA when there is a reasonable expectation that the student will be returning. The LOA must be requested, approved, and signed by both the academy representative and the student in writing prior to the LOA occurring unless unforeseen circumstances prevent the student from doing so. For example, if a student were injured in a car accident and needed a few weeks to recover before returning to the Academy, the student would not have been able to request the LOA in advance. The Montana Academy may grant an LOA to a student who did not provide the request prior to the LOA due to unforeseen circumstances if the Academy documents the reason for its decision and collects the request from the student at a later date. In this example, the beginning date of the approved LOA would be determined by the Academy to be the first date the student was unable to attend the Academy because of the accident.

In addition, the student is required to list the reason for the LOA on the form provided by the Academy.

A student may be granted a LOA for any of the following reasons:

- Financial Hardship
- Medical Issues
- Military Deployment
- Mitigating Circumstances Beyond the Student's Control
- Staff Recommendation

A student granted an LOA that meets the criteria is not considered to have withdrawn, and no refund calculation is required at that time. The institution will not assess the student for any additional institutional charges as a result of the LOA. Title IV loans will not be disbursed during the LOA. Living Expense checks will not be disbursed to students during the LOA.

The maximum time frame for a LOA is 180 calendar days. Montana Academy of Salons permits more than one LOA provided the total number of days of all LOA does not exceed 180 calendar days within a 12-month period.

On the day the student returns from the LOA, the student must inform the financial aid or admissions office of the return and verify the information on the LOA Request Form & Enrollment Agreement Addendum or initial the correction on the contract. The student's contract and the maximum time frame will be extended for the same number of calendar days the student was on LOA without any penalty to the student.

If the student does not return from the LOA on the date scheduled to return, the student will be withdrawn from Montana Academy of Salons. The student's loans will go into repayment after 180 days from the last date of attendance.

Students without an approved LOA may be considered withdrawn after 14 consecutive calendar days if they have not contacted the Academy. The last date of attendance will be utilized for the purposes of calculating a refund.

GRADUATION REQUIREMENTS/DIPLOMA

Montana Academy will grant a diploma of graduation and an Official Transcript (\$10 transcript fee) of Hours for the applicable course when the student has successfully completed all phases of study, required tests, and practical assignments; has a minimum 85% attendance and 85% GPA, passed a final practical examination; completed the program of study according to State requirements; completed all exit paperwork; attended an exit interview and made satisfactory arrangements for payment of all debts owed to the school.

LICENSING REQUIREMENTS

Students graduating from the Barbering, Supplemental Barbering, Cosmetology, Esthetics, Manicuring, and Teacher Training may take the licensing exam to receive a license in Montana after completion of the course enrolled and payment of the required examination fee. All applicants for licensure must be 18 years or older and be a high academy graduate or equivalent. Teacher Training applicants must hold a current active Montana Barbering, Cosmetologist, Esthetician, or Manicuring practitioner license that is in good standing. All applicants for licensure for the Supplemental Barbering Course must hold a current active Montana Cosmetology license. Additionally, students may apply to take their licensing examinations after completing 90% of their course hours.

Massage Therapy graduates complete 700 hours, and all coursework will have the background and skills to pass the licensing examination. All applicants for licensure must apply for examination and fee; as well as evidence of 18 years of age; two letters attesting to good moral character sent directly to the board, and an Official Transcript from Montana Academy attended sent directly to the board; proof of completion of Massage Therapy training.

Microdermabrasion Students completing 50 hours and all course work will have the skill to get endorsed by the State Board of Barbers and Cosmetologists. Microdermabrasion Students must be Licensed Cosmetologist or Licensed Esthetician to get endorsed.

DISCLOSURES

Please see the Montana Code Annotated, Chapter 1 General Provisions, Part 2 Licensure of Criminal Offenders, Part 3 Uniform Professional Licensing and Regulation Procedures (Unprofessional Conduct) for reasons why an individual may not be permitted to be licensed as a Barbering, Cosmetologist, Esthetician, Manicuring, or Facilitator and therefore employment in their chosen profession.

Additionally, please review the Montana State Board of Massage Therapy, Department, and Board Statutes as it applies to "Non-routine Applicants" for reasons that may preclude an individual from being a gainfully employed licensed massage therapist.

REFUND POLICY

For applicants who cancel enrollment or students who withdraw from enrollment, a fair and equitable settlement will apply. The following policy will apply to all terminations for any reason, by either party, including student decision, course or program cancellation, or academy closure. 4. A student notifies the institution of his/her withdrawal in writing.
5. A student on an approved leave of absence notifies Montana Academy that he/she will not be returning. The date of withdrawal shall be earlier of the date of expiration of the leave of absence or the date the student notifies the institution that the student will not be returning.
6. A student is expelled by Montana Academy. (Unofficial withdrawals will be determined by the institution by monitoring attendance at least every 14 calendar days.)

7. In type 2, 3, 4, or 5, official cancellations or withdrawals, the cancellation date will be determined by the postmark on the written notification, or the date said notification is delivered to the Montana Academy administrator or owner in person.
8. For students who enroll and begin classes but withdraw prior to course completion (after three business days of signing the contract), the following schedule of tuition earned by Montana Academy applies. All refunds are based on scheduled hours.

PERCENT OF SCHEDULED TIME ENROLLED TO TOTAL COURSE/PROGRAM	TOTAL TUITION ACADEMY SHALL RECEIVE/RETAIN
0.01% to 04.9%	20%
5% to 09.9%	30%
10% to 14.9%	40%

- + All refunds will be calculated based on the student's last date of attendance. Any monies due to a student who withdraws shall be refunded within 45 days of a determination that a student has withdrawn, whether officially or unofficially. In the case of disabling illness or injury, death in the student's immediate family, or other documented mitigating circumstances, a reasonable and fair refund settlement will be made. If permanently closed or no longer offering instruction after a student has enrolled and instruction has begun, Montana Academy will provide a pro-rata refund of tuition to the student. If the course is canceled subsequent to a student's enrollment and before instruction in the program has begun, Montana Academy will either provide a full refund of all monies paid or completion of the course. If the course is canceled after students have enrolled and instruction has begun, Montana Academy will provide a full refund of all monies paid.
- + Students who withdraw or terminate prior to course completion are charged a termination fee of \$150.00. This refund policy applies to tuition and fees charged in the enrollment agreement. Other miscellaneous charges the student may have incurred at the institution (EG: extra kit materials, kit, and books, products, unreturned academy property, etc.) will be calculated separately at the time of withdrawal. All fees are identified in this catalog and in the student's enrollment agreement.
- + If a Title IV financial aid recipient withdraws prior to the course completion, a calculation for return of Title IV funds will be completed, and any applicable returns by Montana Academy shall be paid, as applicable, first to unsubsidized Federal Stafford Student Loan Program; second to subsidized Federal Stafford Student Loan Program; third to Federal Pell Grant Program; fourth to other Federal, State, private or institutional student financial assistance programs; and last to the student. After all applicable returns to Title IV aid have been made, this refund policy will apply to determine the amount earned by Montana Academy and owed by the student. If the student has received personal payments of Title IV aid, he/she may be required to refund the aid to the applicable program.
- + The Enrollment Agreement specifies a separate charge for Program Tools & Equipment that the student will use during the Course. If the student fails to return the Program Tools & Equipment within 30 days following the date of the student's withdrawal, Montana Academy may offset the cost of those Program Tools & Equipment against any refund. The student shall be liable for the amount, if any, by which the cost for Program Tools & Equipment exceeds the refund amount. Supply products used textbooks and workbooks are not refundable.

- + Veterans Only. The Amount charged to the student for tuition, fees, and other charges when only a portion of a course is completed shall not exceed the approximate pro rate portion of the total charges for tuition, fees, and other charges that the length of the completed portion of the course bears to its total length. Refunds will be made within 30 days after the last class attended or the effective date of the withdrawal or termination. This policy is in compliance with the requirements of Title 38 CFR 21.4255.

DETERMINATION DATE/WITHDRAWAL DATE (OFFICIAL/UNOFFICIAL WITHDRAWAL)

The last date of attendance is the last day the student was physically in attendance at Montana Academy. A withdrawal determination date on a student who had been previously attending could be up to, but not to exceed, 14 calendar days from that student's actual last date of attendance. An active student officially withdraws when they notify Montana Academy's administrative office of their intention to withdraw from Montana Academy. An active student is considered unofficially withdrawn when they have been absent for 14 calendar days from their last date of physical attendance without notifying Montana Academy's administrative office.

RETURN OF TITLE IV FUNDS POLICY

The law specifies how Montana Academy must determine the amount of Title IV program assistance that you earn if you withdraw from Montana Academy. The Title IV programs that are covered by this law are Federal Pell Grants, Academic Competitiveness Grants, National SMART Grants, TEACH Grants, Stafford Loans, PLUS Loans, and Federal Supplemental Educational Opportunity Grants (FSEOGs), and Federal Perkins Loans.

When you withdraw during your payment period, the amount of Title IV program assistance that you have earned up to that point is determined by a specific formula. If you received (or your academy or parent received on your behalf) less assistance than the amount that you earned, you might be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by Montana Academy and/or you.

The amount of assistance that you have earned is determined on a pro-rata basis. For example, if you completed 30% of the scheduled hours in your payment period, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the scheduled hours in your payment period, you earn all the assistance that you were scheduled to receive for that period.

If you did not receive all of the funds that you earned, you might be due a post-withdrawal disbursement. If your Post-withdrawal disbursement includes loan funds, your academy must get your permission before it can disburse them. You may choose to decline some or all of the loan funds so that you don't incur additional debt. Your academy may automatically use all or a portion of your post-withdrawal disbursement of grant funds for tuition, fees, and food and housing charges (as contracted with Montana Academy). Montana Academy needs your permission to use the post-withdrawal grant disbursement for all other academy charges. If you do not give your permission (some academies ask for this when you enroll), you will be offered the funds. However, it may be in your best interest to allow Montana Academy to keep the funds to reduce your debt at Montana Academy.

There are some Title IV funds that you were scheduled to receive that cannot be disbursed to you once you withdraw because of other eligibility requirements. For example, if you are a first-time, first-year undergraduate student and you have not completed the first 30 days of your program before you withdraw, you will not receive any Direct loan funds that you would have received had you remained enrolled past the 30th day. If you receive (or your academy or parent receive on your behalf) excess Title IV program funds that must be returned, your academy must return a portion of the excess equal to the lesser of: your institutional charges multiplied by the unearned percentage of your funds, or the entire amount of excess funds. Montana Academy must return this amount even if it didn't keep this amount of your Title IV program funds. If your academy is not required to return all of the excess funds, you must return the remaining amount. Any loan funds that you must return, you (or your parent for a PLUS Loan) repay in accordance with the terms of the promissory note. That is, you make scheduled payments to the holder of the loan over a period of time.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You must make arrangements with your academy or the Department of Education to return the unearned grant funds.

The requirements for Title IV program funds when you withdraw are separate from any Institutional Refund Policy that your academy may have. Therefore, you may still owe funds to Montana Academy to cover unpaid institutional charges. Your academy may also charge you for any Title IV program funds that Montana Academy was required to return.

RETURN OF TITLE IV FUNDS BY MONTANA ACADEMY

Montana Academy must return the unearned aid for which Montana Academy is responsible by repaying funds to the following sources, in order, up to the total net amount disbursed from each source.

TITLE IV PROGRAMS

1. Unsubsidized /Direct Stafford Loan
2. Subsidized /Direct Stafford Loan
3. Parent Plus Loan
4. Pell Grant

If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at studentaid.gov.

By applying for a Direct Loan, a borrower authorizes Montana Academy to pay directly to the Secretary that portion of a refund or return to title IV, HEA program funds from Montana Academy that is allocable to the loan.

ATTENDANCE POLICY

Attendance is recorded by a biometric time clock located at the front desk. Daily attendance is monitored by staff and is the responsibility of all students to attend their full contracted schedule and to complete all curriculums, project sheets, and all state-mandated training. Students also monitor their attendance through Orbund Biometric Timeclock.

To continue your enrollment at Montana Academy, you must abide by the attendance policy that corresponds with the course in which you are enrolled.

You are encouraged to miss as few days as possible. Montana Academy strongly recommends that no student be absent while attending Foundations in any course. It becomes a hardship for the student and Montana Academy to make up theory and practical instruction. Course lesson plans are taught on a rotating schedule and are not repeated until eleven (11) weeks later. The State of Montana and Montana Academy requires a minimum of clock hours in Foundations in each course before practicing on the public.

In addition, students in Foundations may only miss three days. Any further absence may require that the student be terminated and reapply to restart the course. Students should refer to the Refund Policy section of their Enrollment Agreement regarding tuition due for scheduled hours at the time of termination.

GREAT FALLS and BILLINGS CALL-IN POLICY

Students must call (406)-771-8772 Ext. 2 and leave a message 60 minutes or more daily before the start of each scheduled shift if the student expects to be tardy or absent. Shifts start at 9:00 am Monday, Tuesday, Friday, and Saturday, 11:00 am Wednesday and Thursday.

NO CALL, NO SHOW

A No Call, No Show, is when a student does not call in according to the CALL-IN POLICY and does not show up for the scheduled day.

A No Call, No Show will result in a suspension.

TARDY

Defined as delaying or delayed beyond the right or expected time.

The following is considered a Tardy:

- You arrive after your am, or pm scheduled shift starts.

If you are tardy, you may be asked to clock out and receive an absence. Even one minute is tardy. You can clock in 15 minutes before the start of the day shift. If you must leave Montana Academy for any reason other than lunch, you must clock out and inform a facilitator.

ABSENCE

Defined as the state of being away from Montana Academy.

The following is considered an absence:

- Any absence where the student was not in attendance during their scheduled shift.

EXCUSED

Defined as attempting to lessen the blame. An excused absence is approved prior to being absent.

UNEXCUSED

Not excused.

MISSING STUDENT

Defined as a student who no calls / no-shows for the class or a student who does not return from an approved Leave of Absence (LOA) or Requested Time Off (RTO).

SUSPENSION

The temporary prevention of something from continuing or being in force or effect.

MAXIMUM SUSPENSIONS ALLOWED

There is a limit to the number of suspensions a student may incur before being terminated. Three suspensions will result in the student dismissing themselves from a course of 700 hours or less. Courses with more than 700 hours will be limited to six suspensions before the student dismisses themselves from a course.

- + Any other incidents that would lead to a suspension- conduct violations.
- + The student leaves early on a scheduled shift.
- + A No Call, No Show will result in a suspension.
- + Missing a Mandatory Friday or Saturday

MANDATORY: (REQUIRED AS RULES) FRIDAY AND SATURDAY

Scheduled Friday and Saturday attendance is mandatory. All students, including students currently in Foundations, must attend the full day on Friday or Saturday.

REQUESTED TIME OFF (RTO)

RTO is "requested time off" in advance (minimum seven (7) days before the RTO) for the upcoming absence. The RTO will be considered if the student is currently making SAP in grades and attendance. No RTOs are offered in Foundations.

An exception to the 7-day requirement would be:

- + If you are involved with law enforcement. (To be excused, you must provide a copy of the police report.)
- + If a student is unable to attend due to inclement weather
- + Serious illness of self or family member
- + Submitting an RTO one day before the funeral
- + Incarceration

RTOs are available in the mornings, afternoons, and all day. RTO forms are located at the front desk.

The students will receive an "Over Contract Charges Acknowledgment" form that details:

- + Student's contract graduation date
- + Student's anticipated graduation date
- + Estimated Over Contract fees, if any

A facilitator will coach students on the importance of attendance in Montana Academy and the workplace. Students have the opportunity to make up time according to the "Makeup Policy." The time can be made up before the RTO.

MAKE-UP POLICY

The "Make-Up Policy" allows the student to make up assignments and tests that they have missed. Students who missed a test due to an absence, must make up the test on the first day returning to Montana Academy to receive credit for the test. The student is responsible for making arrangements with the facilitator to schedule a time to make up the test. Missed tests post as a ZERO until the test is made up. Missed and failed tests will adversely affect the student's Grade Point Average (GPA) and Satisfactory Academic Progress (SAP).

Students are made aware at the time of their contract signing that over-contract fees will be charged for hours exceeding their calculated contract completion date. Students are provided with "Orbund Biometric Timeclock," a student portal that allows students the ability to monitor their hourly attendance. Students have a monthly "one on one" evaluation with a team facilitator throughout their training and are made aware of their hourly attendance.

Students may come in during their unscheduled days of the week to make up for missed hours. Montana Academy strongly recommends students make up missed hours to prevent over-contract fees. Montana Academy

facilitator-student ratio is 1:25, meaning one facilitator to twenty-five students. Please plan when scheduling make-up hours.

A student must fill out a "Makeup Time Form" to make up hours. Forms are found at the front desk. Students will not be allowed to self-study without the supervision of a facilitator. A student may watch an instructional video with the supervision of a facilitator. This is not used as a replacement for class. The student/facilitator ratio will be upheld according to Montana State Laws. Students who schedule a makeup day are required to attend without tardiness or absences. This is a privilege, and anyone who is tardy or absent may not be allowed to continue making up missed days. Opportunities to gain or make up hours are as follows:

- + Student Clinic Area: If a station is available to serve guests and Montana Academy does not exceed the facilitator-to-student ratio.
- + Manicure or Pedicure Clinic Area: If a table or pedicure station is available to serve guests and Montana Academy does not exceed the facilitator-to-student ratio.
- + Esthetic or Massage Clinic Area: If a treatment table is available to serve guests and Montana Academy does not exceed the facilitator-to-student ratio.
- + Dispensary and Laundry Clinic Area: If there are no stations, tables, and rooms available to serve guests and Montana Academy does not exceed the facilitator-to-student ratio.

7 steps completed	70%	6 steps completed	60%	5 steps completed	50%

1 step completed	10%	0 steps completed	0%		

COMPLETED

Students may receive a "Y" for completed from a facilitator when the student has completed a practical skill successfully.

NOT COMPLETED

Students may receive an "N" for not completing from a facilitator when the student is attempting to learn a practical skill but needs additional time or practice to complete the work.

INADEQUATE GRADES

When a student is struggling in one or more areas of theory or practical skills, the facilitator will advise the student on how the deficiency can be successfully completed and determine a deadline for the work to be completed satisfactorily.

CONDUCT

All parts of the Montana Academy of Salons should be viewed as a learning institution; the front desk is a teaching tool and a sales desk and should not be used to gather around. Out of respect for fellow students and their guests, students should not gather around student stations while they are working with a guest. Facilitators are an important tool for Montana Academy; Facilitators will assist and supervise each step of services provided. Swearing, inappropriate language, and/or degrading Montana Academy or its staff will not be tolerated at Montana Academy of Salons and is cause for immediate termination.

GOSSIP/RUMORS

Negative and malicious gossip and rumors are unacceptable. Spreading malicious gossip and rumors creates discord and threatens harmony, which is unacceptable. Students are to treat others with respect and always conduct themselves professionally. Students are prohibited from making statements about Montana Academy, facilitators, other students, guests, competitors, or others that may be considered harassing, threatening, libelous, or defamatory in any way, including on social media.

NON-DISCRIMINATION POLICY

Montana Academy, in its admission, education programs, activities, and graduation policies, do not discriminate on the basis of age, sex, race, ethnic origin, color, religion, financial status, disability, or any other basis protected by the federal, state, or local law. Montana Academy's administration is designated to coordinate Montana Academy's compliance with the requirements of Section 504, as required by 34 Code of the C.F.R. § 104.7(a).

RELEASE OF INFORMATION

Anyone over 18 years of age and wanting to share information concerning grades, attendance, Financial Aid, conduct, or any other information must sign a release of information form.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT POLICY (FERPA)

The family educational rights and privacy act (FERPA) afford eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution. In addition, parents or guardians of dependent minors may have access.)

These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Montana Academy receives a request for access. A student should submit to the FAO a written request that identifies the record(s) the student wishes to inspect. The FAO will make arrangements for access and notify the student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.
3. A student who wishes to ask Montana Academy to amend a record should write the FAO responsibly for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If Montana Academy decides not to amend the record as requested, Montana Academy will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to provide written consent before Montana Academy discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Montana Academy discloses education records without a student's prior written consent under the FERPA exception for disclosure to academy officials with legitimate educational interests. An academy official is a person employed by Montana Academy in an administrative, supervisory, academic, research, or support staff position, such as a disciplinary or grievance committee. An academy official also may include a volunteer or contractor outside of Montana Academy who performs an institutional service of function for which Montana Academy would otherwise use its own employees and who is under the direct control of Montana Academy with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another academy official in performing his or her tasks. An academy official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Montana Academy.

Upon request, Montana Academy also discloses education records without consent to officials of another academy in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Montana Academy to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is FAMILY POLICY COMPLIANCE OFFICE | U.S. DEPARTMENT OF EDUCATION
400 MARYLAND AVENUE, SW | WASHINGTON, DC 20202

FERPA permits the disclosure of PII from students' education records without the consent of the student if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to academy officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining the prior written consent of the student to other academy officials, including teachers within Montana Academy, whom Montana Academy has determined to have legitimate educational interests. The school provides access to student and other school records to its accrediting agency.

This includes contractors, consultants, volunteers, or other parties to whom Montana Academy has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(1)(i)(B)(1) - (a)(1)(i)(B)(2) are met.

- + To officials of another academy where the student seeks or intends to enroll or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34
- + To authorized representatives of the U. S. Comptroller General, the U. S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising Montana Academy's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf.
- + In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid.
- + To organizations conducting studies for, or on behalf of, Montana Academy in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction.
- + To accrediting organizations to carry out their accrediting functions.
- + To parents of an eligible student if the student is a dependent for IRS tax purposes.
- + To comply with a judicial order or lawfully issued subpoena.
- + To appropriate officials in connection with a health or safety emergency, subject to §99.36.
- + Information Montana Academy has designated as "directory information" under §99.37.
- + To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceedings with respect to that alleged crime or offense, regardless of the finding.
- + To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if Montana Academy determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of Montana Academy's rules or policies with respect to the allegation made against him or her.
- +

To parents of a student regarding the student's violation of any Federal, State, or local law or of any rule or policy of Montana Academy governing the use or possession of alcohol or a controlled substance if Montana Academy determines the student committed a disciplinary violation and Disability.

REQUESTS FOR ACCOMMODATION

Individuals with disabilities wishing to request an accommodation must contact the ADA Compliance Coordinator. Disclosure of a disability or a request for accommodation made to any staff, faculty, or personnel other than the ADA Compliance Coordinator will not be treated as a request for accommodation. However, if a student discloses a disability to such an individual, he or she is required to direct the student to the ADA Compliance Coordinator. Upon request, the ADA Compliance Coordinator (or his/her trained designee) will provide a student or applicant with a Request for Reasonable Accommodations Form, which is also available on the Montana Academy's website under the disclosure tab. To help ensure timely consideration and implementation, individuals making a request for accommodation are asked to contact the ADA Compliance Coordinator and/or submit a Request for Accommodations form at least two weeks prior to when the accommodation is needed. Individuals requesting a reasonable accommodation may be asked to provide medical documentation substantiating his/her physical and/or mental impairment(s) and/or the need for the requested accommodation(s), including but not limited to when the limitation or impairment is not readily apparent and/or a requested accommodation does not clearly relate to the impairment(s). Such documentation should specify that a student has a physical or mental impairment and how that impairment substantially limits one or more major life activities. In general, the supporting documentation must be dated less than three years from the date a student requests a reasonable accommodation and must be completed by a qualified professional in the area of the student's disability, as enumerated on the next page.

Montana Academy may request additional documentation or testing as needed.

After the ADA Compliance Coordinator receives the Request Form and the required documentation, he/she (or his/her trained designee) will engage the student or applicant in an interactive process to determine what accommodations may be appropriate.

If the student or applicant is denied any requested accommodation, he/she may file a grievance using the Grievance Process below, or he/she may file a complaint with the U.S. Department of Education's Office for Civil Rights or a similar state entity. Montana Academy will make appropriate arrangements to ensure that a person with a disability is provided with other accommodation, if needed, to participate in this grievance process. The ADA Compliance Coordinator will be responsible for such arrangements.

GRIEVANCE POLICY RELATING TO COMPLAINTS OF DISABILITY DISCRIMINATION

Montana Academy has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by Section 504 and/or the ADA. Any person who believes she/he has been subjected to discrimination on the basis of disability, including disagreements regarding requested accommodations, may file a grievance with Linda M. McPherson, 501 2nd ST S, 406-771-8772 x 3, linda@montanAAcademy.edu. Grievances must be in writing, contain the name and address of the person filing it, state the problem or action alleged to be discriminatory, and the remedy or relief sought.

Montana Academy will investigate each complaint filed and will not retaliate against anyone who files a grievance or cooperates in the investigation of a grievance. All reasonable efforts will be made to provide a written determination to the student or applicant within 30 days after its filing. If a written determination cannot be made within 30 days of the complaint's filing, the student will be advised and provided an update as to the status of the investigation. The student may also inquire as to the status of the investigation at reasonable intervals. Based on the results of the investigation, Montana Academy will take all appropriate actions to prevent any recurrence of discrimination and/or to correct any discriminatory effects.

The availability and use of this grievance procedure does not prevent a person from filing a complaint of discrimination on the basis of disability with the U. S. Department of Education's Office for Civil Rights and/or a similar state agency.

NOTICE OF NON-DISCRIMINATION & SEXUAL HARASSMENT POLICIES & GRIEVANCE PROCEDURES

I. Policy

It is the policy of the Montana Academy of Salons (the "Academy") to maintain an environment for students, faculty, administrators, staff, and visitors that is free of all forms of discrimination and harassment, including sexual harassment. Montana Academy has enacted the Sexual Harassment Policies & Grievance Procedures (the "Policy") to reflect and maintain its institutional values, to provide for fair and equitable procedures for determining when this Policy has been violated, and to provide recourse for individuals and the community in response to violations of this Policy.

The Policy can be found at the Montana Academy's website at www.montanAACademy.edu or obtained in person from the Title IX Coordinator (see below).

Montana Academy does not discriminate on the basis of sex in its educational, extracurricular, or other programs or in the context of employment. Sex discrimination is prohibited by Title IX of the Education Amendments of 1972, a federal law that provides:

No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.

This Policy prohibits all forms of sex discrimination, harassment, and misconduct, including sexual assault, domestic violence, dating violence, and stalking. The requirement not to discriminate in the Montana Academy's education programs or activities extends to admission. This Policy also prohibits retaliation against a person who has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy. Inquiries about the application of Title IX may be referred to the Montana Academy's Title IX coordinator, the U.S. Department of Education Office for Civil Rights, or both.

Montana Academy also prohibits other forms of discrimination and harassment, including discrimination and harassment on the basis of race, color, national origin, disability, or age, in its programs and activities. The following persons have been designated to handle inquiries regarding the non-discrimination policies, including Title IX:

Montana Academy of Salons desires to create and sustain an anti-discriminatory environment and will not tolerate discrimination of any kind. Montana Academy will achieve this through education, orientation, and training for all students, staff, and faculty for the purpose of creating awareness of both the issues surrounding discrimination as well as accountability, sensitivity training, and anti-discrimination training in their classrooms, at least once while the student is in Academy.

II. Sexual Harassment Grievance Procedure

Reports of sexual harassment should be made to the Montana Academy's Title IX Coordinator, Deputy Title IX Coordinator, or to a Designated Academy Official. As set forth in the Policy, the Montana Academy's Designated Academy Officials are the Chief Executive Officer and Chief Financial Officer. Montana Academy will respond promptly when it has actual knowledge of sexual harassment in its education programs or activities. The Title IX Coordinator will promptly contact the complainant to discuss the availability of supportive measures, consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint, and explain to the complainant the process for filing a formal complaint.

Montana Academy will investigate all formal complaints of sexual harassment. A formal complaint must be in writing, filed by a complainant, or signed by the Title IX Coordinator alleging sexual harassment against a respondent and request that Montana Academy investigate the allegation of sexual harassment. A formal complaint form may be obtained from the Title IX Coordinator, although no particular form is required to submit a formal complaint so long as the complaint is in writing, signed by a complainant, alleges sexual harassment against a respondent, and requests an investigation. The Montana Academy's Title IX Coordinator oversees Montana Academy's investigation, response to, and resolution of all reports of prohibited sexual harassment and of related retaliation involving students, faculty, and staff.

If all parties voluntarily agree to participate in an informal resolution that does not involve a full investigation and adjudication after receiving notice of a formal complaint and if Montana Academy determines that the particular formal complaint is appropriate for such a process, Montana Academy will facilitate an informal resolution to assist the parties in reaching a voluntary resolution. Montana Academy retains the discretion to determine which cases are appropriate for voluntary resolution.

Montana Academy will convene a hearing panel following the end of an investigation. The hearing panel determines whether the respondent is responsible or not responsible for a violation of the Policy. If the respondent is determined to be responsible, the written determination will include the sanctions to be imposed upon the respondent. The Policy provides that the parties have the right to appeal the hearing panel's determination under certain circumstances.

GRIEVANCE (COMPLAINT) PROCEDURE POLICY

Montana Academy of Salons maintains an “open door” policy, allowing students or other interested parties the opportunity to discuss any issues necessary. Most of these issues can be resolved at the Montana Academy level. Montana Academy will receive and process complaints that state facts that reasonably suggest that Montana Academy may not be in compliance with the Federal, State, or NACCAS standards and criteria.

Montana Academy will make every attempt to resolve any student complaints. Complaint procedures will also be included in new student orientation, thereby assuring that all students know the steps to follow should they desire to register a complaint at any time. The following procedure outlines the specific steps of the complaint process.

1. The student should register the complaint in writing on the designated form provided by the institution within five days of the date that the act which is the subject of the grievance occurred.
2. The complaint form will be given to the CEO of Montana Academy.
3. The complaint will be reviewed by the administration, and a response will be sent in writing to the student within ten days of receiving the complaint. The initial response may not provide for the final resolution of the problem but will notify the student of continued investigation and/or actions being taken regarding the complaint.
4. If the complaint is of such nature that it cannot be resolved by the management, it will be referred to an appropriate agency if applicable.
5. Depending on the extent and nature of the complaint, interviews with appropriate staff and other students may be necessary to reach a final resolution of the complaint.
6. In cases of extreme conflict, it may be necessary to conduct an informal hearing regarding the complaint. If necessary, the administration will appoint a hearing committee consisting of one member selected by Montana Academy who has had no involvement in the dispute and who may also be a corporate officer, another member who may not be related to the student filing the complaint or another student in Montana Academy, and another member who may not be employed by Montana Academy or related to Montana Academy owners. The hearing will occur within 30 days of the committee appointment. The hearing will be informal, with the student presenting his/her case followed by Montana Academy's response. The hearing committee will be allowed to ask questions of all involved parties. Within 15 days of the hearing, the committee will prepare a report summarizing each witness's testimony and a recommended resolution for the dispute. Montana Academy administration shall consider the report and either accept, reject, or modify the recommendations of the committee. The CEO shall consider the report and either accept, reject, or modify the recommendations of the committee.
7. The institution maintains copies of all complaints and their resolution according to the institution's record-keeping policy.

Montana Academy phones are not for personal calls.

BUSINESS GOAL POLICY

As a part of your enrollment, Montana Academy places a "Fast Tracker" in your kit. The Performance Goals are part of Montana Academy's business course and are practiced daily. On the first day, all students will be taught aspects of the tracker. Daily, you will "track" referrals, re-books, repeats, and retail. Practicing all aspects of the tracker will ensure your success after graduation.

COMPUTER POLICY

Montana Academy provides computer(s) for students to use to further their business knowledge. Students are taught how to schedule their guests and check in their guests. Part of the "Fast Tracker" is learning how to schedule, "refer," and "rebook" guests. Students caught deliberately falsifying, changing, deleting, moving appointments, and/or scheduling fictitious guests and services will be asked to clock out for the day due to falsely altering their daily service schedule. Continuous falsifying of schedules may lead to the termination of the student from the course.

BUSINESS LEVEL JUMPS POLICY

Monthly, students are acknowledged and awarded for accomplishing a level of business. During the celebration, students are "PINNED" for accomplishing levels of referrals, re-books, repeats, and retail. Students who reach and maintain a Level 4 in all courses will graduate with HONORS. Honorees will have an "honoree seal" on their diploma. Students who reach Level 4 will be assigned a big locker in Great Falls.

STUDENT OF THE MONTH POLICY

A student is selected monthly based on the following criteria: qualifying or jumping, no tardy, highest GPA, and highest attendance. At the Celebration, The Student of the Month will be announced and awarded a designated parking spot.

The runner-up is selected monthly based on the same criteria and awarded a designated parking spot.

GRADUATION POLICY

At Montana Academy, we hold a Graduation Celebration to honor our students who have achieved the milestone of ringing the bell. During this ceremony, graduates wear a cap, tassel, gown, stole, and cords to signify their accomplishments. As a tradition, we request that each graduate "bestow" their stole to someone who provided them with support during their time at Montana Academy and share their experience with everyone present. Students who have attained the highest business levels in their course (L4) are recognized with red cords. This tradition proudly informs students, staff, and guests that the individual has "GRADUATED." Graduates are still considered students and are required to continue clocking hours until they ring the bell. Students must observe the "Dress Code" but may wear a colored outfit on their last day.

ADDITIONAL EDUCATION POLICY

Montana Academy often offers extra educational seminars that all students and alumni are invited to attend. When the opportunity arises, all students and, foreseeably, all alumni are notified in advance through social media about the educational event.

GUEST SPEAKER POLICY

Guest speakers are integrated into the curriculum to allow the students to experience the salon/spa industry before graduation.

STUDENT PERSONAL SERVICE POLICY

Students earn a \$40 personal service after Foundations for each month; they maintain an 85% grade average and an 85% attendance average with no tardies or suspensions. At Celebration, the Student Personal Services List is given to the front desk. The student has until the next Celebration to utilize the service.

Fellow students perform student services. Trained students may only perform services. The services must be scheduled and performed all at one time and approved by a salon clinic facilitator. The services cannot exceed two and a half hours.

Personal Services may not be performed after 5 p.m. or scheduled on Friday or Saturday. The facilitators will schedule your service. The student providing the service will fill out the ticket, have it signed, and be checked by a facilitator. You are the guest while receiving the services; therefore, your student service provider will receive grades throughout the process. If the services exceed the \$40 service credit, the student is responsible for the remaining balance. Personal services are not transferrable from month to month to another student or other persons and are used before the next Celebration.

Additional services can be performed on a Friday or Saturday when the student is not on the clock. Services are discounted 50% for all current students. The discounted service will become void if you take a leave of absence (LOA), Requested Time Off (RTO), or drop from the course. Students who graduate and are working in the beauty industry will continue to receive the 50% discount.

RETAIL CLUB POLICY

Students are informed of monthly retail specials. Students are mentored on "how to" recommend retail products to guests. This exercise develops good sales in leadership. Monthly, through retail sales, students are acknowledged for their retail accomplishments and awarded a name plaque. We do this because businesses hire for retail skills.

FIRE EXTINGUISHER POLICY

Fire extinguishers are in the student clinic area, in the laundry room, and in the locker area by the exit door.

OSHA REQUIREMENT PROCEDURE

In compliance with the United States Department of Labor Occupational Safety and Health Administration requirements, Montana Academy advises its students on the chemicals used in training. During the course work, the student learns about the importance of safety in the workplace and how to use and follow the Material Safety Data Sheets (MSDS) for chemicals used in Barbering, Cosmetology, Esthetics, Manicuring, and Massage Therapy or related training. During each unit of study, students are apprised of the various chemicals used and the safe practices that apply. A complete file containing Material Safety Data Sheets for the chemicals used is available at the front desk. Montana Academy endeavors to facilitate a safe environment for staff and students by teaching the proper and safe use of equipment, tools, and products. Montana Academy does not assume responsibility for injuries resulting from improper or unsafe use of equipment, tools, or products.

STUDENT COUNCIL POLICY

Each team will elect a representative who is SAP and leads by example to attend the Student Council Meeting. Leading by example means respecting the policies and procedures, staying mindful of your words and actions.

The Student Council gives the student body a voice through their team representative and an overall positive atmosphere in Montana Academy. The representatives are given an opportunity to bring suggestions to the meeting. The representatives will act as the liaison between the student body and the Montana Academy Staff. The representatives are asked for topics from their team so that they can discuss with the staff leaders wins and successes, projects and charitable events, Monthly Student Celebration ideas, and graduation.

In turn, the Montana Academy Staff can inform the representatives of new policies, procedures, state regulations, NACCAS requirements, and DOE regulations. We ask the representatives to support Montana Academy's policies and procedures.

The overall objective is to strengthen the relationships between the students and staff. We desire to have less conflict and more solutions in a working team. The Student Council keeps the staff up to date on student body ideas and concerns for better communication between the staff and student body.

The Student Council will meet on the last Tuesday of each month with staff.

RECORDING DEVICES & ELECTRONIC EAVESDROPPING POLICY

Electronic eavesdropping is the use of an electronic transmitting or recording device to monitor conversations without the consent of the parties being monitored. Montana Academy does not permit any recordings or videoing with cell phones, tablets, or any other electronic devices without the consent of the person being recorded. This includes the facility, students, facilitators, guests, or any other persons within Montana Academy.

SCHOLARSHIPS POLICY

Please see the Admissions Office for available scholarships.

If the student receives other forms of financial assistance such as scholarships, it may reduce the student or the student's parent's eligibility for Federal Aid. All scholarships are applied at the end of the contract. Scholarships are credited to the graduate student's ledger from Montana Academy.

EMPLOYMENT ASSISTANCE POLICY

While Montana Academy cannot guarantee employment for graduates, assistance in posting area job openings on a career opportunities bulletin board and on <https://www.montanAAcademy.edu> for students to review, students also receive training in professionalism and job search skills, including how to write a resume, complete an employment application, and prepare for an effective interview. Graduates are encouraged to maintain contact with Montana Academy and follow up with Montana Academy on current employment or employment needs. Job referrals are made known to interested graduates as available.
